Puerto Rico 2020

mabe

When your home works,
everything works.

mabe history

Mabe was founded in Mexico in 1946 by Egon Mabardi and Francisco Berrondo. The name of the company comes from the first two letters of their names. With a history of over 70 years and 27,000 employees, the company has become one of the largest employers of Mexico. Mabe is now one of the largest manufacturers of large household appliances such as refrigerators, stoves and washing machines in North and South America.

In 1987 Mabe signed a strategic alliance with General Electric Appliances (GE) to work together on the development and production of major household appliances. And as of 2000, almost all No Frost refrigerators including Side by Side, Top Mounts and Bottom freezers are manufactured by Mabe Mexico and distributed for the US, Middle East and European markets.

The Mabardi and Berrondo families are still the majority owners and are very active in the company.

mabe world

mabe has developed a new line of household appliances with perfect harmony between technology and esthetics. Their innovative functions and design will ensure that the even the smallest detail make a great change in your home. **Find out more about them.**

◯ White

Commercial capacity	7.0 cu ft
Heat Selections	4
Number of Cycles	6
Dryer Cycles	Air Fluff, Cottons, Delicates, Dewrinkle, Mixed Loads, Speed Dry
Long Vent Capability	Up to 90 feet
Temperature Options	High/Medium/Low/Extra Low
Control Type	Rotary-Electronic w/LEDs
Moisture Sensor	HE Sensor Dry
Style	Front-Loading
Dual Thermistors	Yes
Dryness Levels	Dry, Less Dry, More Dry, Very Dry
Timed Dry	90 Minutes
Energy Saving Option	Yes - eDry
Removable Up-Front Lint Filter	Yes
Drum Type	Dura Drum
Exhaust Options	4-Way (Rear; Right; Left & Bottom)
Flexible Installation	Undercounter, Stacked, Side-by-Side, Built-In
Fuel Type	Electric
Leveling System	Leveling Legs
Reverse-a-Door	Yes
Additional Dryer Features	Baffle Dry System Interior Light Lint Filter with Reminder
Additional Optional Cycles	Extended Tumble
Dryer Control Features	Add Time, Control Lock, Cycle Status Lights, End-of-Cycle Signal, LED Cycle Countdown, LED Indicators
Product Type	Front Load Matching
Stackable
